“ Seeing Freda's smile brings back wonderful memories when visiting with both Freda and Bill. Always a warm welcome and an opportunity to reminisce about the wonderful friendship she and Bill had with my parents, Milton and Alice Houts. My prayers are for family and friends who will miss her smile and warmth.

“ I had the pleasure of doing Freda's hair for many, many years. She was a sweetheart.....it was always fun to visit with. It was so evident how much she loved her husband, Bill. Can remember so well the meticulous pumpkin blossoms she gave me....washed to perfection & laid so delicately between layers of paper towels. Freda was a blessing to those who knew who.

“ Our Aunt Freda (and Uncle Bill), the most wonderful people I knew. Spent lots of time at their house in the country and loved them both very much. So blessed to have known them and been able to share my life with them. Aunt Freda, you are the best, and will be missed.

“ Freda (and Bill) knew me all of my life, but I only got to really know the both of them when I was an adult. I was blessed to get to spend quality time with both of these wonderful people when Bill (Charles) was kind enough to take me under his wing in his woodshop. Had many good talks with her in her cottage behind the UP Home. Freda was a very kind woman with a gentle heart, and she always had encouraging and thoughtful words. She will be missed greatly.
