“ Our direct neighbor to the East growing up, Pauline had a heart of gold. Always pleasant, even if Andy or Brian and I had done wrong "somehow". For me, from 0-10 years old the Jarrards were always there with Pauline the steady captain. Caring and compassionate, consistent and calming is how I remember Pauline. I haven't seen Pauline in years and as I'm reminded of her, thank you for being a rock in a little boy's life, even if it took time to realize it. I love the Jarrards.

“ Dear Ed, Diane, Carol, Brian and Andy and families,
We remember the good times out north of town as neighbors across the road. Fireside evenings with popcorn and Ed's apples, kids playing back and forth, especially the pool, daily walks with Pauline, sharing baked goods back and forth (hers were much better than mine), birthday cards every year between us two, even through last year, square dancing.

Our thoughts go with you all as you remember and celebrate. Prayers and hugs to you all as you know that her Faith for a better place after the struggles of this life is a reality for Pauline now.

“ So very sorry to hear of your loss. Pauline was a wonderful nurse and mentor for me when I first worked at the clinic. I remember her amazing culinary skills, flying to get fresh peaches, grinding wheat to make their own wheat bread, and the list goes on and on. Such a loss for your family, hugs to all.
